We Couldn't Have Asked for Better Entertainment!!!

In addition to being a top notch entertainer Chris made a fantastic "master of ceremonies" - he kept the reception flowing throughout dinner and made sure everyone was where they needed to be. - WEDDING

The Best You Can Find!!!

The Big Bad has as much talent and variety as the large Vegas stage shows all bundled up in a duo. The styles and personalities of Kitt and Corrin compliment each other perfectly and connect with everyone in the audience. Backstage and planning is professional and straight forward without any drama. It would be like having an event with your best friends performing for you in your living room . In my experience, that alone is worth the price of admission. You won't be disappointed!!!

5 Stars!

The Big Bad was amazing! Their music was exactly what we wanted, and their professionalism was over the top. We had technical issues and the band just improvised changes in the program to make the flow seamless. Our event was a huge success and we couldn't have done it without them! We definitely plan to use them again for events in the future.

WOW!

The Big Bad killed it last Friday at our first Piano Bar Night! Kitt & Corrin brought down the house with their interactive performance!
